90 mm 10 W LED Downlight – Tricolour, White

ABOUT THIS PRODUCT

Our everyday 90 mm downlight, a bright and efficient 10 W light for living rooms, kitchens, bedrooms, offices and shops. A switch on the light lets you choose warm, natural or bright white, and it dims smoothly on a compatible LED dimmer. The flat white cover sits neatly against the ceiling for a clean, modern look. The built-in driver keeps installation simple, with a long 40,000 hour life and a 4 year warranty, making it an easy way to replace old halogen downlights. Optional Matte Black / Brushed Chrome or Brass cover at an additional cost.
